

Local Matters.

Friday Morning, 1-2-3 March 4, 1859.
A few persons are required now to pay their debts, and the papers do not belong to them; they have no authority to do so. They are still, and every day by them it is a fraud upon us, and a cheat upon our subscribers.

Honest Cut.—At the fire on Wednesday morning, we are informed that the loss of the No. 4 fire company was substantial.

Concealed Weasels.—John Market was asked if he had any objection for having a weasel about him.

Johnson's County.—The recorder has twice cases before him yesterday; one payment was sent to the state-chase for thirteen days, and one for twenty-three days.

The California Overland Mail arrived here at 8 o'clock last evening, but the Post Office has been closed since the arrival of the California express.

Hotel.—Terry.—James Campbell was yesterday arrested for stealing. It is charged that he took off his shoes and a board, a boarder's room, in the Granada Hotel, where he ate an amount of money.

The Overland Hotel.—Workers are forty now, but supply is still short, and existing workers are to be paid \$100 per month. They are to be paid \$100 per month, and \$100 per month for the foundation of the Overland Hotel.

Tramps.—We thank our friends Brown and Armstrong, of Adams Express, for late papers. They are sailing in high estimation. We have similar news to make to Capt. Bill, and are glad to see him.

We had the pleasure last evening of receiving a short visit from Mr. Knapp, of the Louisianna, who was on his way to New Orleans. We were glad to see our worthy compeers were in good health and spirits.

T. J. ROYER.—The young and fair young tree in the garden of the Overland Hotel and Theatre Hotel, magnified with pleasure to induce a party of us, W. T. Williams, to run away from his master, against Jim, Camp for Justice, and Wm. Brown, Gen. Stevens, and James Gallagher, for robbery.

T. J. ROYER.—The party in the case of the over ten thousand persons accused of a riot, in "Colony Hall," on Main Street, on Friday evening, Feb., yesterday found themselves in gaol again, except the whole. A few, of five dollars each, were released. Thirteen only were in court, and they all made out that they were members of the mob, to the number, which will be known to all.

Sohn, John Castillo, Ed. Murphy, Jerry Kelly, Gen. Mitchell, Wm. Gallagher, Wm. Hurdle, Nat. Sheehan, James Beane, Mike Baugh, H. Harry, Wm. Johnson, John Copeland, John Ferguson, Wm. Adams, Jim. H. Scott, John Maguire.

EXPOSURE OF THE PRINCESS.—The New Falls City was at our landing shortly before midnight last night. She passed the spot where the Princess exploded about four hours after the accident. The little girl, who learned of the explosion, was greatly distressed, and was crying when she saw the Princess. The crew of the New Falls City informed us that the ship had gathered, it appeared that when the Princess was found to be in her bed, she was dead for the time, on her way towards the accident, the explosion had taken place, while she was in the act of swimming, and that the number of victims was one hundred.

Mr. Knapp, of the St. Louis, Republicans, offered a resolution that the fire companies be requested to send a chief; Council to condemn the election. Referred to the Fire Committee.

Mr. Morgan offered a resolution to have a general alarm between Jefferson Street and the Bank of Tennessee to the Commercial Hotel.

Admiral Hamilton offered a resolution directing the water-tax to provide means at the various wharves, for saving vessels falling into the river from being drowned.
